

Committees defined

Please be aware that these committees will give reports at EVERY telephone conference meeting, so that all can participate in informed decision making with regard to the initiative.

The list of committees so far:

Fundraising: Listing potential sources of funds, planning which funders to approach, grant writing, etc.

Membership/Partnership/Outreach: Developing a membership/partnership policy, setting fees for membership, making sure that our efforts can reach all people interested in dismantling racism (and other related "isms") in a sustainable and socially just food system, etc

Communications: Develop website, do surveys, work closely with other committees (particularly Education) to have relevant and up-to-date materials available for the purpose of dismantling racism in a sustainable and socially just food system, etc.

Conference/dismantling racism/training of trainers (TOT): Developing conference scenario and logistics, developing dismantling racism trainings at all levels, developing a training of trainers program so that the initiative has well qualified trainers in all geographical areas that might require them, etc.

Education: Developing and making easily accessible any material that relates to the mission and vision of the initiative, working closely with the Communications committee, etc.

NOTE: Please keep in mind that the initiative is a work in progress and that your input is necessary and relevant. We all have the opportunity to work together to have our voices heard! Looking forward to your active participation!
